GENERAL INFORMATION

As the world’s first national park, Yellowstone has preserved for all time the essence of the wilderness. Yellowstone treats fascinated visitors to a wide variety of wildlife roaming freely in their natural habitat. It was the first park to preserve and protect nature’s unusual and beautiful thermal wonders, to keep them steaming into clear skies and sparkling lakes and streams.

RV TRAILERS

Eleven 26-foot travel trailers are located at Flagg Ranch, near Yellowstone National Park. The trailers are fully self-contained and sleep six people. These well-maintained, modern trailers are fully equipped with cooking and eating utensils, ready for you to walk in and enjoy. You will need to bring your own bedding, towels and pillows. While every effort is made to ensure the inventory of items is accurate and that everything functions as it should, there are sometimes problems. You will be provided with a telephone number for the program Host, who will do everything possible to correct the deficiency. We ask that users be patient and flexible. Directions and keys will be provided when a reservation is confirmed.

AUTHORIZED USERS

Active duty military personnel, military retirees, reservists and DoD civilians are eligible to rent the trailers.

There are specific dates when you can begin booking reservations via the telephone. If you want to rent during May or June, call on April 1. If you want to rent for July dates, call on May 1. If you want to change your reservation dates (to add or delete days) you will be removed from the bookings for a 24 hour period and must then compete for the new dates desired.

The cost for rental is \$80 per night. The minimum length of stay is two nights. ***Fees may change, contact the ODR for current rates.**

PAYMENT

REFUNDS

The cancellation/refund policy is firm. Reservations are not considered to be a day-to-day contract, but a contract for the full reservation period. To receive a refund (less 20% cancellation fee, not to exceed the cost of one night’s stay), cancellations must be made thirty days prior to the first day of occupancy. **In addition, the ODR cannot be held responsible for inclement weather and will therefore not accept this as a reason for late cancellation or for a refund.**
